

SUPPLY AND INSTALLATION FOR PARKING CONTROL SYSTEM FOR THE CITY OF FAIRMONT PARKING GARAGE

RFP Due: Tuesday, February 7, 2023 at 1:00 p.m. (EST)

ADDENDUM 1

Q: Can site visit be scheduled to review site conditions?

A: Yes, we can schedule a site visit. Email eparker@fairmontwv.gov to schedule a time.

Q: Will the city provide internet connection and firewall to the cloud based PARCS?

A: Yes.

Q: Are there site drawings available?

A: No.

Q: Can you provide the manufacturer of the AVI system that is to be used in the garage?

A: The city utilizes a RFID scan card for monthly paid parkers.

Q: Does the city want all new AVI Transponders. If so, what quantity and is it to be included in the submittal pricing?

A: Feel free to include proposals for RFID scan card and reader.

Q: Does the city want a VoIP intercom system that ties back to a command center or designed operations team member?

A: No, the parking garage will need a call button.

Q: Is the city interested in LPR as part of the solution?

A: Not at this time.

Q: Is the city interested in Hands Free "Touchless" entry button?

A: No.

Q: Will there be validations? If so, how does the current system validate parking?

A: No, the city does not currently use validated parking.

Q: Is there a pricing form for the vendor to submit our bid or is the city okay with us providing pricing in our own custom format?

A: The city supplied a proposal form with the packet. It is attached along with this addendum as well.
